

Letter from Mabel Hubbard Bell to Alexander Graham Bell, 1876, with transcript

Letter from Miss Mabel G. Hubbard to Dr. Alexander Graham Bell. (1876?) My dear Alec:

Mamma says that Uncle Eustis and Aunt Carrie are coming out to dinner tomorrow and as they want very much to see your organ, she wants you to come out and show it to them, if you would like to do so. If Mr. Kerr, (?) is with you, she would be glad to see him here too. We are going out to the theatricals this evening, and I must hurry and take this to the post. Excuse this note and lay the blame on my disagreeable pen.

Lovingly, May. I hope you forward your book and that the evening will go off well.
